## Application Instructions

Circled letters on the form above correspond to the instructions below. **You must complete all shaded areas.**

**A.** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

**B.** Provide the complete street address of your Massachusetts voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway \_\_\_\_, 2 miles past Highway \_\_\_\_, across the street from the \_\_\_\_ gas station." This address must be different from the one provided in Item 4 and must be within the city or town where you claim legal voting residence.

**C.** Print the complete address where you want your ballot sent — usually your current mailing address. Your current mailing address must be different from the address provided in Item 3.

**D.** If you are applying for an absentee ballot for a party primary, please indicate the party ballot you wish to receive. In Massachusetts, there are currently four political parties: Democratic, Republican, Libertarian and Massachusetts Green Party.

**E.** Check ONE box.

**F.** You must sign the FPCA. By signing, you are swearing or affirming the information is true and correct.

## I. UNIFORMED SERVICES

### A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Massachusetts and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

### B. Registering and Requesting an Absentee Ballot

You may use one FPCA or any other form of written communication to request ballots for all elections in a calendar year (for local, state and Federal offices).

Registration is waived.

**To request an absentee ballot**, the local registrar of voters must receive your FPCA or any other form of written communication with your name, former residence and present residence not later than noon the day before the election.

### C. Casting Your Vote

**Ballot Return Deadline:** If you reside within the U.S., return your voted ballot to the local election official so that it arrives by the **close of polls (8:00 p.m.) on election day**.

If you reside outside the U.S., your voted ballot must be returned to your local election official so that it arrives by the **close of polls (8:00 p.m.) on election day** to be counted for local and primary elections. Your voted ballot must be postmarked by election day and returned to the local election official so that it arrives not later than **10 days after the election** to be counted for Federal elections.

Local election officials mail ballots approximately 35 days before the primary and 21 days before a general election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instruction in Chapter 2, page 12.

### D. Notary/Witness Requirements

No registration or voting materials are notarized or witnessed.
